Tene Profile

Tene Apparels is splendidly steered by combined vision, energy and the acumen of technocrat N.Senniappan and Rajeswari. Our efforts have made the company grow into a composite mill for knitwear with top-of-the-line infrastructure. Tene apparels were established in the year 1998 at Tirupur the knitting capital of India. Tene apparels begin with manufacturing of garments in end 90's the product range changed and expanded to the need of fashion world. Tene apparels has its pulse on the main activity framework, namely selection of raw materials, knitting, processing and conversion to garments. Tene apparels is capable of serving to the customer's specific requirement. We have highly efficient, dedicated employees who make it possible for us to achieve the whole process, from design to production, for large quantity orders, within a short lead time.

Our range of products is exhaustive and showcases a complete collection of different kinds of knitted garments for men, women and kids. Our major global markets are Italy, UK, Germany and Scandinavian countries.

In the ever changing world of fashion, our garments come with irresistible combination of quality, dimensional stability, and plethora of the latest fashion trends. We are driven by our motto which is a combination of quality and efficiency. Since 1998, Tene apparels have been committed to manufacture high fashioned knitted garments for men, ladies and kids. It has lead the knitting industry with outstanding quality products. Tene apparels motto is customer satisfaction by offering high quality knit wear at short lead times. Our ability to service customers swiftly and effectively sets us apart in today's competitive market. For our customers our selected technical staffs offer an extensive and regular service which is not limited to mere final controls but also assures that, with an intensive technical follow up before and during the production runs, your quality standards and delivery dead line are met.

OUR COMMITMENT
